- **to promote, support and develop low carbon, sustainable lifestyles as we move towards carbon neutrality by 2050.**
 - **to raise awareness of climate change issues.**
 - **to share experience of low carbon living.**

There are 2 ways of working with or supporting Climate Friendly Bradford on Avon – you can be a member or a supporter.

Members are at least 18 years old, live in the BoA Community Area¹ and have voting rights at general meetings. They fully support the objectives of Climate Friendly BoA and our Carbon Neutral 2050 Declaration. They pay a one-off joining fee of £5 per person, which will help us with our core funding.

They will cease to be members if they move out of the BoA Community Area, resign or are asked to do so for any other reason by a majority of the directors. Those who move away will automatically become supporters, as below; we will welcome their continuing support.

Supporters are any age and live anywhere in the world, are supportive of our aims and of tackling climate change issues generally. They wish to be kept in touch with Climate Friendly Bradford on Avon's activities and participate when possible. Those people already on our e-mail list will automatically become supporters unless they inform us otherwise, or choose to become members.

We communicate with members and supporters through e-newsletters, the website, "The Gudgeon" and other local publications.

Directors are selected from within the membership and have a strategic role in overseeing the affairs of the organisation. There is a maximum of 7 and minimum of 3. The term of office is 3 years, further extendable by 3 year periods and they may resign at any time.
