Climate Friendly Bradford on Avon (CFB) is an unincorporated association with a constitution, whose aim is to reduce carbon emissions in the Bradford on Avon Community area and to promote, support and develop low carbon, sustainable and resilient lifestyles.

Membership is open to anyone over the age of 16, and we would be very pleased to have you join us and show your commitment to supporting our work. It is £10 a year (£2 unwaged) to be a member.

Our [Safeguarding Statement](#) including Code of Behaviour can be found on our Home page, and is to be followed when volunteering at events and activities organised by CFB. We also ask our members to agree to support our AIMS which are:

- To raise awareness among all sections of the town and community area's population about climate change and the importance of reducing our carbon emissions and living more sustainably
- To support members, the county, town and parish councils, local organisations, and the wider population in efforts to reduce carbon emissions
- To promote a range of activities, mutual support, and meetings to inform and enthuse people
- To seek to influence decision makers in all sectors and at all levels to take action to reduce greenhouse gas emissions

I wish to become a Member of CFB. I agree for my e-mail address to be added to the e-mail circulation list and understand that the details on this form will be kept on a secure database.
