ECO:FEST

11:00-15:00

18 NOV

2023

WILTSHIRE

MUSIC

CENTRE

Calling all bread bakers!

Channel your artistic talent and produce some bread that not only tastes good but looks attractive as well! As part of the **Wiltshire Music Centre** and **Climate Friendly BOA's Eco-Fest** and with support of **Bridge Yard Co-op**, we are looking for enthusiasts and novices to have a go at bread art.

Try creative slashes on your loaves, modelling with dough, positioning vegetables on the top to create pictures, plaiting and braiding and a whole host of other ideas to create bread with a wow factor—essentially making bread that has an element of artistic flair

The creations can be any type of loaf, bread rolls, focaccia, a modelled character, or whatever takes your fancy. We then invite you to bring it along to display at the Eco-Fest. Don't worry if you have never tried it before – use this opportunity to have a go! All offerings will be considered for their creativity and quality and there will be awards of a hamper of FairTrade products from the Co-op and a box of organic, seasonal veg donated by GrownGreen@HartleyFarm and the prize for under-16s will be a £15 Hartley Farm Shop voucher. There will also be a demonstration of some bread art techniques at the event for those of you that would like to see some ideas put into practice.
