ENERGY GROUP from Amy Starr

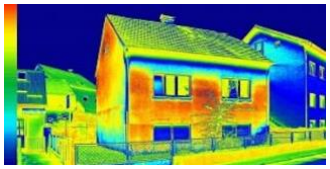

Green Open Homes weekend, 15-16th November
Visit COMFORTABLE, ENERGY EFFICIENT, LOW-CARBON HOMES in and around Bradford on Avon

Residents who have taken action to make their homes more comfortable, cheaper to run and/or decarbonise their heating, will open their doors to offer inspiration and advice for visitors, to help them improve their homes too!

Full list of properties and booking details coming soon to our website. Register your interest as a visitor or host by emailing cfboaenergy@gmail.com

Community Energy Workshop, Wednesday 12th November, 6-8.30pm, Holt Village Hall
Join us to explore RENEWABLE ENERGY in our community area, specifically Holt, Winsley, Bradford on Avon and South Wraxall. Find out how it could benefit, or be owned by, the community. It's FREE and a complimentary buffet will be provided. ALL WELCOME - please share with local contacts. Sign up via Eventbrite

Thermal Imaging Evening with Toby Cambray, Wednesday 19th November, 7pm, venue TBC

Join Toby Cambray from **Greengauge Building Energy Consultants** for a thermal imaging presentation and a chance to have a go with a camera yourself. This will be a useful introduction before borrowing a camera from CFBoA to survey your own home. Email cfboaenergy@gmail.com for more information.
